Essential sewer works in Lottage Road

We're going to be carrying out some essential works to the sewer on Lottage Road. These works are taking place to make sure the sewer is fit for the future.

How long will this take?

We'll be starting on the 11 September 2018 with the aim to have everything back to the way we found it by the 24 September 2018. If we think the works will take longer we'll be sure to let you know.

Road Closure

So that we can complete these works quickly and efficiently, we'll be putting a road closure in place in Lottage Road between 8:30am and 4:30pm each day. This closure will be located at the junction of Kandahar and Goddards Lane. There will be a clearly signed diversion route in place.

We politely ask that you:

- Please remove any vehicles within the no parking coned off area that you'll need to use.
- Leave any cones put out in place.

Will these works affect me?

Our works will **not** affect your waste water service or your drinking water. Everything will continue as normal.

We're sorry for any inconvenience caused by these essential works and thank you for your patience.

Find out more.

If you have any questions or concerns, please get in touch with us on **0800 316 9800** (select option 2) quoting reference: BB971663.

Yours sincerely
